Item 1.01 Entry into a Material Definitive Agreement.

Purchase Agreement and Registration Rights Agreement.

As previously disclosed, on February 7, 2022, DPCM Capital, Inc., a Delaware corporation (“SPAC”), D-Wave Quantum Inc., a Delaware corporation and a direct, wholly-owned subsidiary of SPAC (“NewCo”), DWSI Holdings Inc., a Delaware corporation and a direct, wholly-owned subsidiary of NewCo (“Merger Sub”), DWSI Canada Holdings ULC, a British Columbia unlimited liability company and a direct, wholly-owned subsidiary of NewCo (“CallCo”), D-Wave Quantum Technologies Inc., a British Columbia corporation and a direct, wholly-owned subsidiary of CallCo (“ExchangeCo”) and together with SPAC, NewCo, Merger Sub and CallCo, (the “SPAC Parties”), and D-Wave Systems Inc., a British Columbia company (the “Company”), entered into a transaction agreement (the “Transaction Agreement”) relating to a business combination between SPAC and the Company (the “Proposed Transaction”) pursuant to which, among other things, NewCo will continue as the surviving corporation and the parent of SPAC and the Company.

On June 16, 2022, NewCo, the Company, and SPAC entered into a Purchase Agreement (the “Purchase Agreement”) with Lincoln Park Capital Fund, LLC (“Lincoln Park”), pursuant to which Lincoln Park has agreed to purchase from NewCo up to \$150,000,000 of NewCo common stock (subject to certain limitations contained in the Purchase Agreement) from time to time over a 36-month period following the Commencement Date (as defined below). In connection with the Purchase Agreement, NewCo, the Company, the SPAC also entered into a registration rights agreement with Lincoln Park (the “Lincoln Park Registration Rights Agreement”) whereby NewCo has agreed to file with the U.S. Securities and Exchange Commission (the “SEC”) within thirty (30) days following the consummation of the Proposed Transaction, a new registration statement covering the shares of NewCo common stock that may be issued to Lincoln Park under the Purchase Agreement (the “Lincoln Park Registration Statement”).

After (i) the consummation of the Proposed Transaction and (ii) upon the satisfaction of certain other conditions set forth in the Purchase Agreement (the “Commencement Date”), NewCo shall have the right, but not the obligation, from time to time to direct Lincoln Park to purchase shares of NewCo common stock having a value of up to \$250,000 on any business day (the “Purchase Date”), which may be increased to up to \$1,000,000 depending on certain conditions as set forth in the Purchase Agreement (and subject to adjustment for any reorganization, recapitalization, non-cash dividend, stock split, reverse stock split or other similar transaction as provided in the Purchase Agreement) (each, a “Regular Purchase”). The purchase price per share for a Regular Purchase will be the lower of: (i) the lowest trading price for shares of NewCo common stock on the applicable Purchase Date and (ii) the average of the three lowest closing sale prices for NewCo common stock during the ten consecutive business days ending on the business day immediately preceding such Purchase Date. The purchase price per share will be equitably adjusted for any reorganization, recapitalization, non-cash dividend, forward or reverse stock split, or other similar transaction as provided in the Purchase Agreement.

From and after the Commencement Date, NewCo shall also have the right, but not the obligation, to direct Lincoln Park on each Purchase Date to make “accelerated purchases” on the following business day (the “Accelerated Purchase Date”) up to the lesser of (i) 300% of the number of shares purchased pursuant to a Regular Purchase or (ii) 30% of the trading volume on such Accelerated Purchase Date (during a time period specified in the Purchase Agreement) at a purchase price equal to the lesser of 95% of (x) the closing sale price of NewCo’s common stock on the Accelerated Purchase Date and (y) of the volume weighted average price of NewCo’s common stock on the Accelerated Purchase Date (during a time period specified in the Purchase Agreement) (each, an “Accelerated Purchase”). NewCo shall have the right in its sole discretion to set a minimum price threshold for each Accelerated Purchase in the notice provided with respect to such Accelerated Purchase, and NewCo may direct multiple Accelerated Purchases in a day provided that delivery of shares has been completed with respect to any prior Regular and Accelerated Purchases that Lincoln Park has purchased.

In consideration for entering into the Purchase Agreement, NewCo will issue to Lincoln Park \$875,000 of shares of NewCo common stock as a commitment fee on the date of the closing of the Proposed Transaction. NewCo is also obligated to issue up to an additional \$1,750,000, payable in of shares of NewCo common stock or cash at NewCo’s discretion, as a commitment fee on or before the business day prior to the filing of the Lincoln Park Registration Statement.

The Purchase Agreement may be terminated by NewCo at any time after the Commencement Date, at its sole discretion, without any cost or penalty, by giving one business day notice to Lincoln Park.

Actual sales of shares of NewCo common stock to Lincoln Park under the Purchase Agreement will depend on a variety of factors to be determined by NewCo from time to time, including (among others) market conditions, the trading price of NewCo common stock and determinations by NewCo as to available and appropriate sources of funding for NewCo and its operations. The Purchase Agreement prohibits NewCo from issuing or selling and Lincoln Park from acquiring any shares of NewCo common stock if those shares of NewCo common stock, when aggregated with all other shares of NewCo common stock then beneficially owned by Lincoln Park and its affiliates, would result in Lincoln Park having beneficial ownership of more than 9.9% of the then total outstanding shares of NewCo common stock, as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended, and Rule 13d-3 promulgated thereunder.

The Purchase Agreement contains customary representations, warranties, covenants, closing conditions and indemnification provisions by, among and for the benefit of the parties. Lincoln Park has agreed that neither it nor any of its agents, representatives or affiliates will enter into or effect, directly or indirectly any short selling or hedging, which establishes a net short position with respect to the NewCo common stock. There are no limitations on the use of proceeds, financial or business covenants, restrictions on future financings (other than restrictions on NewCo’s ability to enter into a similar type of agreement or equity line of credit during the term of the Purchase Agreement, excluding an at-the-market transaction with a registered broker-dealer), rights of first refusal, participation rights, penalties or liquidated damages in the Purchase Agreement.

Amendment to Transaction Agreement.

On June 16, 2022, the SPAC Parties and the Company entered into an amendment to the Transaction Agreement dated as of February 7, 2022 (the “**Transaction Agreement Amendment**”). Pursuant to the Transaction Agreement Amendment, the amount of “Permitted SPAC Expenses” was reduced to \$7,000,000.

Amended and Restated Sponsor Support Agreement.

On June 16, 2022, CDPM Sponsor Group, LLC (the “**Sponsor**”), SPAC, D-Wave Quantum Inc. and D-Wave Systems Inc. entered into the Amended and Restated Sponsor Support Agreement (the “**A&R SSA**”). Pursuant to the A&R SSA, the parties thereto agreed to amend and restate the Sponsor Support Agreement dated as of February 7, 2022 (the “**Original SSA**”) to, among other things, (i) vote in favor of the Transaction Agreement and the Transaction, (ii) reimburse or otherwise compensate SPAC for an aggregate amount of fees, expenses, commissions or other amounts incurred by or on behalf of, or otherwise payable (and not otherwise expressly allocated to the Company or any of its subsidiaries or any holder of Company shares, Company options or Company warrants pursuant to the terms of the Transaction Agreement or any ancillary document), whether or not due, by the SPAC Parties in connection with the negotiation, preparation or execution of the Transaction Agreement or any ancillary documents, the performance of its covenants or agreements in the Transaction Agreement or any ancillary document or the consummation of the Transaction, including any SPAC Expenses in excess of the sum of \$6,750,000 and (iii) the forfeiture of 4,484,425 shares of SPAC class B common stock. Pursuant to the A&R SSA, the Company may allocate up to 3,287,762 shares of NewCo common stock if the Company determines, in its sole discretion following consultation with the SPAC, that such allocation would be advisable in connection with the consummation of the Transactions.

The Purchase Agreement, the Lincoln Park Registration Rights Agreement, the Amendment to Transaction Agreement and the Amended and Restated Sponsor Support Agreement are filed as Exhibits 10.1, 10.2, 10.3 and 10.4 respectively, to this Current Report on Form 8-K and incorporated herein by reference. The foregoing descriptions of the Purchase Agreement, the Lincoln Park Registration Rights Agreement, the Amendment to Transaction Agreement and the Amended and Restated Sponsor Support Agreement and the transactions contemplated thereby are qualified in their entirety by reference to such Exhibits.

Neither the Company nor any of its Subsidiaries is in violation of any term of or is in default under any material contract, agreement, mortgage, indebtedness, indenture, instrument, judgment, decree or order or any statute, rule or regulation applicable to the Company or its Subsidiaries, except for possible conflicts, defaults, terminations or amendments that could not reasonably be expected to have a Company Material Adverse Effect or to result in any conflict related to the Merger. The business of the Company and its Subsidiaries is not being conducted, and shall not be conducted, in violation of any law, ordinance, or regulation of any governmental entity, except for possible violations, the sanctions for, or consequences of, which either individually or in the aggregate could not reasonably be expected to have a Company Material Adverse Effect. As of their respective dates, or, if amended or restated, as of the date of such amendment or restatement, the SEC Documents complied in all material respects with the

None of the SEC Documents contained, when filed or, if amended or restated, as of the date of such amendment or restatement with respect to those disclosures that are amended or restated, any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Except as set forth in the SEC Documents, the financial statements included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing, or if amended or restated, as of the date of such amendment or restatement. The Company further represents to the Investor that the Company's decision to enter into the Transaction Documents has been based solely on the independent evaluation by the Company and its representatives and advisors.

(viii) No General Solicitation; No Aggregated or Integrated Offering. Neither the Company, nor any of its affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D under the Securities Act) in connection with the offer or sale of the Securities. Neither the Company, nor any of its affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to purchase any security, under circumstances that would require registration of the offer and sale of any of the Securities under the Securities Act, whether through aggregation or integration with prior offerings or otherwise, or cause this offering of the Securities to be aggregated or integrated with prior offerings by the Company in a manner that would require stockholder approval pursuant to the rules of the Principal Market on which any of the securities of the Company are to be listed or designated. The issuance and sale of the Securities hereunder, as of the date of this Agreement, does not contravene the rules and regulations of the Principal Market.

(ix) Application of Takeover Protections. (x) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents that will be timely publicly disclosed by DPCM, the Company confirms that neither it nor any other Person acting on its behalf has provided the Investor or its agents or counsel with any information that it believes constitutes or might constitute material, non-public information which is not otherwise disclosed in the Form S-4 or the SEC Documents. The Company understands and confirms that the Investor will rely on the foregoing representation in effecting purchases and sales of securities of the Company. All of the disclosure furnished by or on behalf of the Company to the Investor regarding the Company, its business and the transactions contemplated hereby does not contain

any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. The press releases disseminated by the Company during the twelve months preceding the date of this Agreement taken as a whole do not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made and when made, not misleading. The Company acknowledges and agrees that the Investor neither makes nor has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3 hereof.

D-Wave is not in violation or default of any of the provisions of its organizational documents or bylaws. D-Wave is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in a D-Wave Material Adverse Effect and no proceeding has been instituted in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

(ii) Authorization; Enforcement; Validity. (a) D-Wave has the requisite corporate power and authority to enter into and perform its obligations under this Agreement, the Registration Rights Agreement and each of the other Transaction Documents, (b) the execution and delivery of the Transaction

Except as set forth in this Agreement, no other approvals or consents of D-Wave's Board of Directors, any authorized committee thereof, or stockholders (except as provided in this Agreement) is necessary under applicable laws and D-Wave's organizational documents and bylaws to authorize the execution and delivery of the Transaction Documents or any of the transactions contemplated thereby.

(iii) No Conflicts. The execution, delivery and performance of the Transaction Documents by D-Wave and the consummation by D-Wave of the transactions contemplated hereby and thereby will not (a) result in a violation of D-Wave's organizational documents or bylaws or (b) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which D-Wave is a party, or result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations applicable to D-Wave) or by which any property or asset of D-Wave is bound or affected, except in the case of conflicts, defaults, terminations, amendments, accelerations, cancellations and violations under clause (b), which could not reasonably be expected to result in a D-Wave Material Adverse Effect. D-Wave is not in violation of any term of or in default under its organizational documents or bylaws. D-Wave is not in violation of any term of or is in default under any material contract, agreement, mortgage, indebtedness, indenture, instrument, judgment, decree or order or any statute, rule or regulation applicable to D-Wave, except for possible conflicts, defaults, terminations or amendments that could not reasonably be expected to have a D-Wave Material Adverse Effect. The business of D-Wave is not being conducted, and shall not be conducted, in violation of any law, ordinance or regulation of any governmental entity, except for possible violations, the sanctions for which either individually or in the aggregate could not reasonably be expected to have a D-Wave Material Adverse Effect. Except as specifically contemplated by this Agreement and as required under the Securities Act or applicable state securities laws, D-Wave is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency or any regulatory or self-regulatory agency in order for it to execute, deliver or perform any of its obligations under or contemplated by the Transaction Documents in accordance with the terms hereof or thereof. Except as set forth elsewhere in this Agreement, all consents, authorizations, orders, filings and registrations which D-Wave is required to obtain pursuant to the preceding sentence shall be obtained or effected on or prior to the Commencement Date.

(iv) Absence of Certain Changes. D-Wave has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any Bankruptcy Law nor does D-Wave have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy or insolvency proceedings. Assuming D-Wave receives the anticipated proceeds from the Merger, D-Wave is financially solvent and is generally able to pay its debts as they become due.

(v) Absence of Litigation. There is no action, suit, proceeding, inquiry or, to D-Wave's knowledge, investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of D-Wave, threatened against or affecting D-Wave, or

any of D-Wave's officers or directors in their capacities as such, which could reasonably be expected to have a D-Wave Material Adverse Effect.

(vi) Acknowledgment Regarding Investor's Status. D-Wave acknowledges and agrees that the Investor is acting solely in the capacity of arm's length purchaser with respect to the Transaction Documents and the transactions contemplated hereby and thereby. D-Wave further acknowledges that the Investor is not acting as a financial advisor or fiduciary of D-Wave (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated hereby and thereby and any advice given by the Investor or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to the Investor's purchase of the Securities. D-Wave further represents to the Investor that D-Wave's decision to enter into the Transaction Documents has been based solely on the independent evaluation by D-Wave and its representatives and advisors.

(vii) No General Solicitation. Neither D-Wave, nor any of its affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D under the Securities Act) in connection with the offer or sale of the Securities.

(viii) Intellectual Property Rights. D-Wave owns or possesses adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, inventions, licenses, approvals, governmental authorizations, trade secrets and other intellectual property rights necessary to conduct its business as now conducted. None of D-Wave's rights in its owned and material trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, trade secrets or other intellectual property rights have expired or terminated, or, by the terms and conditions thereof, could expire or terminate within two years from the date of this Agreement, in each case which could reasonably be expected to have a D-Wave Material Adverse Effect. D-Wave does not have any knowledge of any infringement by D-Wave of any trademark, trade name rights, patents, patent rights, copyrights, service names, service marks, service mark registrations, trade secret or other intellectual property rights of others, and there is no claim, action or proceeding being made or brought against, or to D-Wave's knowledge, being threatened against, D-Wave regarding trademark, trade name, patents, patent rights, copyright, service names, service marks, service mark registrations, trade secret or other infringement, in each case which could reasonably be expected to have a D-Wave Material Adverse Effect.

(ix) Environmental Laws. D-Wave (a) is in compliance with any and all applicable foreign, federal, state, provincial and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("Environmental Laws"), (b) has received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct its businesses and (c) is in compliance with all terms and conditions of any such permit, license or approval, except where, in each of the three foregoing clauses, the failure to so comply could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(x) Title. D-Wave does not own any real property, and has good and marketable title to all tangible personal property owned by it that is material to its business, in each case free and clear of all liens, encumbrances and defects ("Liens"), except for Liens as do not materially affect the value of such property and do not materially interfere with the use made and proposed to be made of such property by D-Wave and Liens for the payment of federal, state or other taxes, the payment of which is neither delinquent nor subject to penalties. Any real property and facilities held under lease by D-Wave are held by them under valid, subsisting and enforceable leases with which D-Wave is in compliance with such exceptions as are

not material and do not interfere with the use made and proposed to be made of such property and buildings by D-Wave.

(xi) Insurance. D-Wave is insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as management of D-Wave believes to be prudent and customary in the businesses in which D-Wave is engaged. D-Wave has not been refused any insurance coverage sought or applied for and D-Wave has no reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not materially and adversely affect the condition, financial or otherwise, or the earnings, business or operations of D-Wave.

(xii) Regulatory Permits. D-Wave possesses all material certificates, authorizations and permits issued by the appropriate federal, state, provincial or foreign regulatory authorities necessary to conduct its business, and D-Wave has not received any notice of proceedings relating to the revocation or modification of any such certificate, authorization or permit.

(xiii) Tax Status. D-Wave has filed all federal, state, provincial, local and foreign tax returns that are required to be filed or has requested extensions thereof (except in any case in which the failure so to file would not have a D-Wave Material Adverse Effect) and has paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such assessment, fine or penalty that is currently being contested in good faith or as would not have a Material Adverse Effect. There are no transfer taxes or other similar fees or charges under Canadian or U.S. federal law or the laws of any state, province, territory or any political subdivision thereof, required to be paid in connection with the execution and delivery of this Agreement or the issuance by D-Wave or sale by D-Wave of the Common Stock. No stamp duty, registration or documentary taxes, duties or similar charges are payable under the federal laws of Canada or the laws of any province in connection with the creation, issuance, sale and delivery by D-Wave of the Common Stock or the authorization, execution, delivery and performance of this Agreement.

(xiv) Transactions With Affiliates. Except as disclosed in the Form S-4, none of the officers or directors of D-Wave and, to the knowledge of D-Wave, none of the employees of D-Wave is presently a party to any transaction with D-Wave (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of D-Wave, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, other than for (a) payment of salary or consulting fees for services rendered, (b) reimbursement for expenses incurred on behalf of D-Wave and (c) other employee benefits, including stock option agreements under any stock option plan of D-Wave.

(xv) Foreign Corrupt Practices. D-Wave has not, and to the knowledge of D-Wave, any director, officer, agent, employee or affiliate of D-Wave is not aware of or has taken any action, directly or indirectly, that would result in a violation by such persons of the Foreign Corrupt Practices Act of 1977, as amended, and the rules and regulations thereunder (the “FCPA”) or the Corruption of Foreign Public Officials Act (Canada) (the “CFPOA”), including, without limitation, making use of the mails or any means or instrumentality of interstate commerce corruptly in furtherance of an offer, payment, promise to pay or authorization of the payment of any money, or other property, gift, promise to give, or authorization of the giving of anything of value to any “foreign official” (as such term is defined in the FCPA or the CFPOA) or any foreign political party or official thereof or any candidate for foreign political office, in contravention of the FCPA; and D-Wave, and, to the knowledge of D-Wave, its affiliates have conducted their businesses in compliance with the FCPA and the CFPOA and have instituted and maintain policies and procedures

designed to ensure, and which are reasonably expected to continue to ensure, continued compliance therewith. The operations of D-Wave are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements and the money laundering statutes and the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any applicable governmental agency, including, without limitation, Title 18 U.S. Code section 1956 and 1957, the Patriot Act, the Bank Secrecy Act, all as amended, and any Executive order, directive or regulation pursuant to the authority of any of the foregoing, or any orders or licenses issued thereunder (collectively, the "Money Laundering Laws"), and no action, suit or proceeding by or before any court or governmental agency, authority or body or any arbitrator involving D-Wave with respect to the Money Laundering Laws is pending or, to the best knowledge of D-Wave, threatened. D-Wave shall not, directly or indirectly, use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other individual or entity: (i) to fund or facilitate any activities or business of or with any individual or entity or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions or (ii) in any other manner that will result in a violation of Sanctions by any individual or entity (including any individual or entity participating in the offering, whether as underwriter, advisor, investor or otherwise). For the past five years, D-Wave has not knowingly engaged in, and is not now knowingly engaged in, any dealings or transactions with any individual or entity, or in any country or territory, that at the time of the dealing or transaction is or was the subject of Sanctions.

(xvi) Certain Fees. No brokerage or finder's fees or commissions are or will be payable by D-Wave to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Transaction Documents. The Investor shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section 4(b)(xvi) that may be due in connection with the transactions contemplated by the Transaction Documents.

(iv) No Conflicts. The execution, delivery and performance of the Transaction Documents by DPCM and the consummation by DPCM of the transactions contemplated hereby and thereby will not (a) result in a violation of DPCM's certificate of incorporation or bylaws or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which DPCM is a party, or result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations applicable to DPCM) or by which any property or asset of DPCM is bound or affected, except in the case of conflicts, defaults, terminations, amendments, accelerations, cancellations and violations under clause (ii), which could not reasonably be expected to result in a DPCM Material Adverse Effect. DPCM is not in violation

of any term of or in default under its certificate of incorporation or bylaws. DPCM is not in violation of any term of or is in default under any material contract, agreement, mortgage, indebtedness, indenture, instrument, judgment, decree or order or any statute, rule or regulation applicable to DPCM, except for possible conflicts, defaults, terminations or amendments that could not reasonably be expected to have a DPCM Material Adverse Effect. The business of DPCM is not being conducted, and shall not be conducted, in violation of any law, ordinance or regulation of any governmental entity, except for possible violations, the sanctions for which either individually or in the aggregate could not reasonably be expected to have a DPCM Material Adverse Effect. Except as specifically contemplated by this Agreement and as required under the Exchange Act, DPCM is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency or any regulatory or self-regulatory agency in order for it to execute, deliver or perform any of its obligations under or contemplated by the Transaction Documents in accordance with the terms hereof or thereof. Except as set forth elsewhere in this Agreement, all consents, authorizations, orders, filings and registrations which DPCM is required to obtain pursuant to the preceding sentence shall be obtained or effected on or prior to the Commencement Date.

(v) SEC Documents: Financial Statements. Upon Closing, DPCM shall have filed all SEC Documents on a timely basis or has received a valid extension of such time of filing and has filed any such SEC Documents prior to the expiration of any such extension. As of their respective dates, or, if amended or restated, as of the date of such amendment or restatement, the SEC Documents complied in all material respects with the requirements of the Securities Act and the Exchange Act, as applicable. As of the date hereof, none of the SEC Documents contained, when filed or, if amended or restated, as of the date of such amendment or restatement with respect to those disclosures that are amended or restated, any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Except as set forth in the SEC Documents, the financial statements of DPCM included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the SEC with respect thereto as in effect at the time of filing, or if amended or restated, as of the date of such amendment or restatement. Such financial statements have been prepared in accordance with United States generally accepted accounting principles applied on a consistent basis during the periods involved (“GAAP”), except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by GAAP, and fairly present in all material respects the financial position of DPCM and its consolidated Subsidiaries as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments. Except as set forth in the SEC Documents or in connection with the SEC’s review of the Form S-4, DPCM has received no notices or correspondence from the SEC for the one year preceding the date hereof. To the knowledge of DPCM, the SEC has not commenced any enforcement proceedings against DPCM or any of its Subsidiaries.

(vi) Acknowledgment Regarding Investor’s Status. DPCM further acknowledges that the Investor is not acting as a financial advisor or fiduciary of DPCM (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated hereby and thereby and any advice given by the Investor or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated hereby and thereby is merely incidental to the Investor’s purchase of the Securities. DPCM further represents to the Investor that DPCM’s decision to enter into the Transaction Documents has been based solely on the independent evaluation by DPCM and its representatives and advisors.

(vii) No General Solicitation. Neither DPCM, nor any of its affiliates, nor any Person acting on its or their behalf, has engaged in any form of general solicitation or general advertising (within the meaning of Regulation D under the Securities Act) in connection with the offer or sale of the Securities.

The Investor shall have no obligation with respect to any fees or with respect to any claims made by or on behalf of other Persons for fees of a type contemplated in this Section 4(c)(ix) that may be due in connection with the transactions contemplated by the Transaction Documents.

(x) Listing and Maintenance Requirements. DPCM's common stock is registered pursuant to Section 12(b) of the Exchange Act, and DPCM has taken no action designed to, or which to its knowledge is likely to have the effect of, terminating the registration of the Common Stock pursuant to the Exchange Act nor has DPCM received any notification that the SEC is currently contemplating terminating such registration. DPCM has not, in the twelve (12) months preceding the date hereof, received any notice from any Person to the effect that DPCM is not in compliance with the listing or maintenance requirements of the Principal Market. DPCM is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements.

(xi) No Market Manipulation. DPCM has not, and to its knowledge no Person acting on its behalf has, (a) taken, directly or indirectly, any action designed to cause or to result in the stabilization or manipulation of the price of any security of DPCM to facilitate the sale or resale of any security of DPCM, (b) sold, bid for, purchased, or, paid any compensation for soliciting purchases of, any security of DPCM, or (c) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of DPCM.

(xii) Absence of Certain Changes. Except as disclosed in the SEC Documents, since December 31, 2021, there has been no material adverse change in the business, properties, operations, financial condition or results of operations of DPCM. DPCM has not taken any steps, and does not currently expect to take any steps, to seek protection pursuant to any Bankruptcy Law nor does DPCM have any knowledge or reason to believe that its creditors intend to initiate involuntary bankruptcy or insolvency proceedings. DPCM is financially solvent and is generally able to pay its debts as they become due.

(xiii) Disclosure. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents that will be timely publicly disclosed by DPCM, DPCM confirms that neither it nor any other Person acting on its behalf has provided the Investor or its agents or counsel with any information that it believes constitutes or might constitute material, non-public information which is not otherwise disclosed in the Form S-4 or the SEC Documents. DPCM understands and confirms that the Investor will rely on the foregoing representation in effecting purchases and sales of the Securities. All of the disclosure furnished by or on behalf of DPCM to the Investor regarding DPCM, its business and the transactions contemplated hereby is true and correct and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. DPCM acknowledges and agrees that the Investor neither makes nor has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3 hereof.

(xiv) Accountants. DPCM's accountants are set forth in the SEC Documents and, to the knowledge of DPCM, such accountants are an independent registered public accounting firm as required by the Securities Act.

5. COVENANTS.

(a) Filing of Current Report and Registration Statement. Each of the Company, D-Wave, and DPCM agrees that DPCM shall, within the time required under the Exchange Act, file with the SEC a report on Form 8-K relating to the transactions contemplated by, and describing the material terms and conditions of, the Transaction Documents (the "Current Report"). The Company shall file with the SEC, within thirty (30) days of the date of Closing, a new registration statement (as amended or supplemented or replaced with a New Registration Statement, the "Registration Statement") covering the resale of the Purchase Shares and all of the Commitment Shares in accordance with the terms of the Registration Rights Agreement between the Company and the Investor, dated as of the date hereof (the "Registration Rights Agreement"); provided, however, that the Company may delay filing or suspend the use of any Registration Statement if the Company determines, upon advice of legal counsel, that in order for the Registration Statement to not contain a material misstatement or omission, an amendment thereto would be needed. The Company and DPCM shall permit the Investor to review and comment upon the final pre-filing draft version of the Current Report at least two (2) Business Days prior to its filing with the SEC and, with respect to information regarding the Investor or the transaction contemplated hereby, DPCM shall not file the Current Report or the Registration Statement with the SEC in a form to which the Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the final pre-filing draft version of the Current Report within one (1) Business Day from the date the Investor receives it from the Company or DPCM.

(b) Blue Sky. The Company shall take all such action, if any, as is reasonably necessary in order to obtain an exemption for or to register or qualify (i) the issuance of the Commitment Shares and the sale of the Purchase Shares to the Investor under this Agreement and (ii) any subsequent resale of all Commitment Shares and all Purchase Shares by the Investor, in each case, under applicable securities or "Blue Sky" laws of the states of the United States in such states as is reasonably requested by the Investor from time to time, and shall provide evidence of any such action so taken to the Investor provided, however, that the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(c) Listing/DTC. The Company shall take all action reasonably necessary to promptly secure the listing of all of the Purchase Shares and Commitment Shares to be issued to the Investor hereunder on the Principal Market (subject to official notice of issuance) and upon each other national securities exchange or automated quotation system, if any, upon which the Common Stock is then listed, and shall use commercially reasonable efforts to maintain, so long as any shares of Common Stock shall be so listed, such listing of all such Securities from time to time issuable hereunder. The Company shall use commercially reasonable efforts to maintain the listing of the Common Stock on the Principal Market and shall comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules and regulations of the Principal Market. The Company shall not take any action that would reasonably be expected to result in the delisting or suspension of the Common Stock on the Principal Market. The Company shall promptly, and in no event later than the following Business Day, provide to the Investor copies of any notices it receives from any Person regarding the continued eligibility of the Common Stock for listing on the Principal Market; provided, however, that the Company shall not be required to provide the Investor copies of any such notice that the Company reasonably believes constitutes material non-public information and the Company would not be required to publicly disclose such notice in any report or statement filed with the SEC and under the Exchange Act or the Securities Act. The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 5(c). The Company shall

take all action reasonably necessary to ensure that its Common Stock can be transferred electronically as DWAC Shares.

(d) Prohibition of Short Sales and Hedging Transactions The Investor agrees that beginning on the date of this Agreement and ending on the date of termination of this Agreement as provided in Section 11, the Investor and its agents, representatives and affiliates shall not in any manner whatsoever enter into or effect, directly or indirectly, any (i) “short sale” (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Common Stock or (ii) hedging transaction, which establishes a net short position with respect to the Common Stock.

(e) Issuance of Commitment Shares. In consideration for the Investor’s execution and delivery of this Agreement, the Company shall pay the Investor cash or cause the Transfer Agent to issue shares of Common Stock directly to the Investor in an aggregate amount equal to Two Million Six Hundred Twenty Five Thousand Dollars (\$2,625,000) (the “Commitment Fee”) and shall deliver to the Transfer Agent on the date of this Agreement the Irrevocable Transfer Agent Instructions in the form as set forth in Section 6. The Company shall pay the Commitment Fee to the Investor as follows: (i) on the date of Closing, Eight Hundred Seventy Five Thousand Dollars (\$875,000) of shares of Common Stock shall be delivered to the Investor (the “Initial Tranche Commitment Shares”) and (ii) on or before the business day prior to the filing of the Registration Statement, the Company shall elect, and communicate to the Investor its election, to pay the remaining amount of the Commitment Fee in cash or shares of Common Stock. If the Company elects to pay the remaining amount of the Commitment Fee in cash, the Company shall pay to the Investor, within ninety (90) days of the date of Closing, an amount in cash, by wire transfer of immediately available funds, equal to One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000). If the Company elects to pay the fee in shares of Common Stock, One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000) of shares of Common Stock will be issued to the Investor at least one business day prior to the date of filing of the Registration Statement (the “Second Tranche Commitment Shares,” and together with the Initial Tranche Commitment Shares, the “Commitment Shares”). For purposes of determining the number of Commitment Shares, the price of the Commitment Shares shall be equal to the lesser of (x) a per share price that is equal to 100% of the DPCM Price or (y) the average closing price of the Common Stock for the ten (10) business days prior to the date such shares are issued. For the avoidance of doubt, all of the Commitment Shares shall be fully earned as of the date of this Agreement, irrespective of any subsequent termination of this Agreement but the Commitment Fee will in no event be paid to the Investor if the Closing does not occur.

(f) Due Diligence: Non-Public Information. The Investor shall have the right, from time to time as the Investor may reasonably deem appropriate and upon reasonable advance notice to the Company, D-Wave, and DPCM, to perform reasonable due diligence on the Company and D-Wave during normal business hours. Each of the Company, D-Wave, and DPCM and their respective officers and employees shall provide information and reasonably cooperate with the Investor in connection with any reasonable request by the Investor related to the Investor’s due diligence of the Company, D-Wave, and DPCM. Each party hereto agrees not to disclose any Confidential Information of the other party to any third party and shall not use the Confidential Information for any purpose other than in connection with, or in furtherance of, the transactions contemplated hereby. Each party hereto acknowledges that the Confidential Information shall remain the property of the disclosing party and agrees that it shall take all reasonable measures to protect the secrecy of any Confidential Information disclosed by the other party. Each of the Company, D-Wave, and DPCM confirms that neither it nor any other Person acting on its behalf shall provide the Investor or its agents or counsel with any information that constitutes or might constitute material, non-public information, unless a simultaneous public announcement thereof is made by the Company or DPCM, as applicable, in the manner contemplated by Regulation FD. In the event of a breach of the foregoing covenant by the Company, D-Wave, DPCM, or any Person acting on their behalf (as determined in the reasonable good faith judgment of the Investor), in addition to any other remedy provided herein or in the

other Transaction Documents, if the Investor is holding any Securities at the time of the disclosure of material, non-public information, the Investor shall have the right to make a public disclosure, in the form of a press release, public advertisement or otherwise, of such material, non-public information without the prior approval by the Company, D-Wave, and DPCM; provided the Investor shall have first provided notice to the Company, D-Wave, and DPCM that it believes it has received information that constitutes material, non-public information, and the Company, D-Wave, and DPCM shall have at least two (2) Business Days to either (i) demonstrate that such information is not material non-public information to the reasonable satisfaction of the Investor or (ii) publicly disclose such material, non-public information prior to any such disclosure by the Investor. The Investor shall not have any liability to the Company, any of its Subsidiaries, D-Wave, DPCM, or any of their respective directors, officers, employees, stockholders or agents, for any such disclosure. Each of the Company, DPCM, and D-Wave understands and confirms that the Investor shall be relying on the foregoing covenants in effecting transactions in securities of the Company.

(g) Purchase Records. The Investor and the Company shall each maintain records showing the remaining Available Amount at any given time and the dates and Purchase Amounts for each Regular Purchase, Accelerated Purchase and Additional Accelerated Purchase or shall use such other method, reasonably satisfactory to the Investor and the Company.

(h) Taxes. The Company shall pay any and all transfer, stamp or similar taxes that may be payable with respect to the issuance and delivery of any shares of Common Stock to the Investor made under this Agreement. For the avoidance of doubt, any other taxes incurred by the Investor (including any taxes on income resulting from the transactions contemplated by this Agreement) shall solely be the responsibility of the Investor.

(i) Aggregation. From and after the date of this Agreement, neither the Company, nor any of its affiliates will, and the Company shall use its reasonable best efforts to ensure that no Person acting on their behalf will, directly or indirectly, make any offers or sales of any security or solicit any offers to purchase any security, under circumstances that would cause this offering of the Securities by the Company to the Investor to be aggregated with other offerings by the Company in a manner that would require stockholder approval pursuant to the rules of the Principal Market on which any of the securities of the Company are listed or designated, unless stockholder approval is obtained before the closing of such subsequent transaction in accordance with the rules of such Principal Market.

(j) Use of Proceeds. The Company will use the net proceeds from the offering for any corporate purpose at the sole discretion of the Company.

(k) Integration. From and after the date of this Agreement, the Company, D-Wave, DPCM and any of their respective affiliates shall not, and each of the Company, D-Wave, and DPCM shall use its reasonable best efforts to ensure that no Person acting on their behalf will, directly or indirectly, make any offers or sales of any security or solicit any offers to purchase any security, under circumstances that would require registration of the offer and sale of any of the Securities under the Securities Act.

(l) Limitation on Variable Rate Transactions. From and after the date of this Agreement until the Maturity Date, the Company shall be prohibited from effecting or entering into an agreement to effect any issuance by the Company or any of its Subsidiaries of Common Stock involving a Variable Rate Transaction other than with the Investor. “Variable Rate Transaction” means an “equity line of credit” or substantially similar transaction whereby an investor is irrevocably bound to purchase securities over a period of time from the Company at a price based on the market price of the Company’s Common Stock at the time of each such purchase, provided, however, that this Section 5(l) shall not be deemed to prohibit the issuance and sale of Common Stock pursuant to an “at-the-market offering” by the Company

exclusively through a registered broker-dealer acting as agent of the Company pursuant to a written agreement between the Company and such registered broker-dealer.

6. TRANSFER AGENT INSTRUCTIONS.

(a) Initial Tranche Commitment Shares. Upon Closing, the Company shall issue to the Transfer Agent (and any subsequent transfer agent) irrevocable instructions, in substantially the form agreed to prior to the date of Closing to issue the Initial Tranche Commitment Shares in accordance with the terms of this Agreement (the “Irrevocable Initial Tranche Transfer Agent Instructions”). The certificate, DRS or book-entry statement(s) representing the Initial Tranche Commitment Shares shall bear the following restrictive legend (the “Restrictive Legend”):

THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED, OR THE SECURITIES LAWS OF ANY STATE OR OTHER JURISDICTION, AND MAY NOT BE REOFFERED, SOLD, ASSIGNED, PLEDGED, ENCUMBERED, TRANSFERRED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF SUCH REGISTRATION OR AN EXEMPTION THEREFROM.

The Company agrees to take such actions and provide such instructions as are reasonably required to remove such restrictive legend upon the Initial Tranche Commitment Shares becoming eligible for resale pursuant to the Registration Statement.

(b) Second Tranche Commitment Shares. If the Company elects to pay the second portion of the Commitment Fee in shares of Common Stock, at least one Business Day prior to the filing of the Registration Statement, the Company shall issue to the Transfer Agent (and any subsequent transfer agent) irrevocable instructions, in substantially the form agreed to prior to the date hereof, to issue the Second Tranche Commitment Shares in accordance with the terms of this Agreement (the “Irrevocable Second Tranche Transfer Agent Instructions”). All Second Tranche Commitment Shares to be issued to or for the benefit of the Investor pursuant to this Agreement shall be issued as DWAC Shares. The Company warrants to the Investor that, while the Agreement is effective, no instruction other than the Irrevocable Second Tranche Transfer Agent Instructions referred to in this Section 6 will be given by the Company to the Transfer Agent with respect to the Second Tranche Commitment Shares, and the Second Tranche Commitment Shares shall otherwise be freely transferable on the books and records of the Company. Notwithstanding anything to the contrary in this Section 6(b), to the extent the Second Tranche Commitment Shares are issued prior to the effectiveness of the Registration Statement, the certificate, DRS or book-entry statement(s) representing the Second Tranche Commitment Shares shall bear the same restrictive legend as the Initial Tranche Commitment Shares and as referenced in Section 6(a) above.

(c) Purchase Shares. On the date of the Commencement, the Company shall issue to the Transfer Agent, and any subsequent transfer agent, irrevocable instructions in the form agreed to prior to the date hereof (the “Commencement Irrevocable Transfer Agent Instructions”) to issue the Purchase Shares in accordance with the terms of this Agreement and the Registration Rights Agreement. All Purchase Shares to be issued from and after Commencement to or for the benefit of the Investor pursuant to this Agreement shall be issued only as DWAC Shares. The Company represents and warrants to the Investor that, while this Agreement is effective, no instruction other than as contemplated by the Commencement Irrevocable Transfer Agent Instructions and any Notice of Effectiveness of Registration Statement (as defined in the Registration Rights Agreement) will be given by the Company to the Transfer Agent with respect to the Purchase Shares from and after Commencement, and no instruction or other communication to the Transfer Agent with respect to the issuance of the Purchase Shares shall be made without the approval

of the Investor. The Company shall provide confirmation of receipt by the Transfer Agent of all instructions pursuant to the Commencement Irrevocable Transfer Agent Instructions with respect to Purchase Shares within one Business Day of delivery of any Purchase Notice. The Purchase Shares covered by the Registration Statement shall otherwise be freely transferable on the books and records of the Company.

7. CONDITIONS TO THE COMPANY'S RIGHT TO COMMENCE SALES OF SHARES OF COMMON STOCK.

The right of the Company hereunder to commence sales of the Purchase Shares as of the Commencement Date is subject to the satisfaction (or waiver by the Company) of each of the following conditions:

(b) The Merger shall have been completed and D-Wave and DPCM shall have become wholly owned subsidiaries of the Company;

(d) The representations and warranties of the Investor shall be true and correct in all material respects (except to the extent that any of such representations and warranties is already qualified as to materiality in Section 3 above, in which case, the portion of such representations and warranties so qualified shall be true and correct without further qualification) as of the date hereof and as of the Commencement Date as though made at that time.

8. CONDITIONS TO THE INVESTOR'S OBLIGATION TO PURCHASE SHARES OF COMMON STOCK.

The obligation of the Investor to buy Purchase Shares under this Agreement is subject to the satisfaction of each of the following conditions on or prior to the Commencement Date and, once such conditions have been initially satisfied, there shall not be any ongoing obligation to satisfy such conditions after the Commencement has occurred:

(n) The Registration Statement covering the resale of the Commitment Shares and Purchase Shares shall have been declared effective under the Securities Act by the SEC and no stop order with respect to the Registration Statement shall be pending or threatened by the SEC. Statement, a final prospectus (the preliminary form of which shall be included in the Registration Statement) and shall have delivered to the Investor a true and complete copy thereof. Such prospectus shall be current and available for the resale by the Investor of all of the Securities covered thereby. The Current Report shall have been filed with the SEC, as required pursuant to Section 5(a). All reports, schedules, registrations, forms, statements, information and other documents required to have been filed by the Company with the SEC at or prior to the Commencement Date pursuant to the reporting requirements of the Exchange Act shall have been filed with the SEC within the applicable time periods prescribed for such filings under the Exchange Act;

(o) No Event of Default (as defined below) has occurred and continues, taking into account any applicable grace or cure period;

(p) All federal, state and local governmental laws, rules and regulations applicable to the transactions contemplated by the Transaction Documents and necessary for the execution, delivery and performance of the Transaction Documents and the consummation of the transactions contemplated thereby in accordance with the terms thereof shall have been complied with in all material respects, and all consents, authorizations and orders of, and all filings and registrations with, all federal, state and local courts or governmental agencies and all federal, state and local regulatory or self-regulatory agencies necessary for the execution, delivery and performance of the Transaction Documents and the consummation of the transactions contemplated thereby in accordance with the terms thereof shall have been obtained or made, including, without limitation, in each case those required under the Securities Act, the Exchange Act, applicable state securities or “Blue Sky” laws or applicable rules and regulations of the Principal Market, or otherwise required by the SEC, the Principal Market or any state securities regulators;

(q) No statute, regulation, order, decree, writ, ruling or injunction shall have been enacted, entered, promulgated, threatened or endorsed by any federal, state, local or foreign court or governmental authority of competent jurisdiction which prohibits the consummation of or which would materially modify or delay any of the transactions contemplated by the Transaction Documents; and

9. INDEMNIFICATION.

(a) In consideration of the Investor’s execution and delivery of the Transaction Documents and acquiring the Securities hereunder and in addition to all of the Company’s other obligations under the Transaction Documents, the Company shall defend, protect, indemnify and hold harmless the Investor and all of its affiliates, stockholders, officers, directors, members, managers, employees and direct or indirect investors and any of the foregoing Person’s agents or other representatives (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) (collectively, the “Indemnitees”) from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable expenses in connection therewith (irrespective of whether any such Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable and documented out-of-pocket attorneys’ fees and disbursements (the “Indemnified Liabilities”), actually incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by the Company in the Transaction

Documents or any other certificate, instrument or document executed by the Company contemplated hereby or thereby, (b) any breach of any covenant, agreement or obligation of the Company contained in the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, or (c) any cause of action, suit or claim brought or made against such Indemnitee and arising out of or resulting from the execution, delivery, performance or enforcement of the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, other than, in the case of clause (c), with respect to Indemnified Liabilities which result directly and primarily from the fraud, gross negligence, bad faith or willful misconduct of an Indemnitee. The indemnity in this Section 9(a) shall not apply to amounts paid in settlement of any claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed. To the extent that the foregoing undertaking by the Company may be unenforceable for any reason, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. Payment under this indemnification shall be made within thirty (30) days from the date the Investor makes written request for it. A certificate containing reasonable detail as to the amount of such indemnification submitted to the Company by the Investor shall be conclusive evidence, absent manifest error, of the amount due from the Company to the Investor; provided that the Indemnitee shall undertake to repay any amounts paid to it hereunder if it is ultimately determined, by a final and non-appealable order of a court of competent jurisdiction, that the Indemnitee is not entitled to be indemnified against such Indemnified Liabilities by the Company pursuant to this Agreement. If any action shall be brought against any Indemnitee in respect of which indemnity may be sought pursuant to this Agreement, such Indemnitee shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Indemnitee. Any Indemnitee shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnitee, except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict on any material issue between the position of the Company and the position of such Indemnitee, in which case the Company shall be responsible for the reasonable and documented out-of-pocket fees and expenses of no more than one such separate counsel.

(b) In consideration of the Investor's execution and delivery of the Transaction Documents and acquiring the Securities hereunder and in addition to all of D-Wave's other obligations under the Transaction Documents, D-Wave shall defend, protect, indemnify and hold harmless the Investor and all of its Indemnitees from and against any and all Indemnified Liabilities, actually incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by D-Wave in the Transaction Documents or any other certificate, instrument or document executed by D-Wave contemplated hereby or thereby, (b) any breach of any covenant, agreement or obligation of D-Wave contained in the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, or (c) any cause of action, suit or claim brought or made against such Indemnitee and arising out of or resulting from the execution, delivery, performance or enforcement of the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, other than, in the case of clause (c), with respect to Indemnified Liabilities which result from the fraud, gross negligence, bad faith or willful misconduct of an Indemnitee. The indemnity in this Section 9(b) shall not apply to amounts paid in settlement of any claim if such settlement is effected without the prior written consent of D-Wave, which consent shall not be unreasonably withheld, conditioned or delayed. To the extent that the foregoing undertaking by D-Wave may be unenforceable for any reason, D-Wave shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. Payment under this indemnification shall be made within thirty (30) days from the date the Investor makes written request for it. A certificate containing reasonable detail as to the amount of such indemnification submitted to D-Wave by the Investor shall be conclusive evidence,

absent manifest error, of the amount due from D-Wave to the Investor; provided that the Indemnitee shall undertake to repay any amounts paid to it hereunder if it is ultimately determined, by a final and non-appealable order of a court of competent jurisdiction, that the Indemnitee is not entitled to be indemnified against such Indemnified Liabilities by D-Wave pursuant to this Agreement. If any action shall be brought against any Indemnitee in respect of which indemnity may be sought pursuant to this Agreement, such Indemnitee shall promptly notify D-Wave in writing, and D-Wave shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Indemnitee. Any Indemnitee shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnitee, except to the extent that (i) the employment thereof has been specifically authorized by D-Wave in writing, (ii) D-Wave has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict on any material issue between the position of D-Wave and the position of such Indemnitee, in which case D-Wave shall be responsible for the reasonable and documented out-of-pocket fees and expenses of no more than one such separate counsel.

(c) In consideration of the Investor's execution and delivery of the Transaction Documents and acquiring the Securities hereunder and in addition to all of DPCM's other obligations under the Transaction Documents, DPCM shall defend, protect, indemnify and hold harmless the Investor and all of its Indemnitees from and against any and all Indemnified Liabilities, actually incurred by any Indemnitee as a result of, or arising out of, or relating to (a) any misrepresentation or breach of any representation or warranty made by DPCM in the Transaction Documents or any other certificate, instrument or document executed by DPCM contemplated hereby or thereby, (b) any breach of any covenant, agreement or obligation of DPCM contained in the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, or (c) any cause of action, suit or claim brought or made against such Indemnitee and arising out of or resulting from the execution, delivery, performance or enforcement of the Transaction Documents or any other certificate, instrument or document contemplated hereby or thereby, other than, in the case of clause (c), with respect to Indemnified Liabilities which result from the fraud, gross negligence, bad faith or willful misconduct of an Indemnitee. The indemnity in this Section 9(c) shall not apply to amounts paid in settlement of any claim if such settlement is effected without the prior written consent of DPCM, which consent shall not be unreasonably withheld, conditioned or delayed. To the extent that the foregoing undertaking by DPCM may be unenforceable for any reason, DPCM shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities which is permissible under applicable law. Payment under this indemnification shall be made within thirty (30) days from the date the Investor makes written request for it. A certificate containing reasonable detail as to the amount of such indemnification submitted to DPCM by the Investor shall be conclusive evidence, absent manifest error, of the amount due from DPCM to the Investor; provided that the Indemnitee shall undertake to repay any amounts paid to it hereunder if it is ultimately determined, by a final and non-appealable order of a court of competent jurisdiction, that the Indemnitee is not entitled to be indemnified against such Indemnified Liabilities by DPCM pursuant to this Agreement. If any action shall be brought against any Indemnitee in respect of which indemnity may be sought pursuant to this Agreement, such Indemnitee shall promptly notify DPCM in writing, and DPCM shall have the right to assume the defense thereof with counsel of its own choosing reasonably acceptable to the Indemnitee. Any Indemnitee shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnitee, except to the extent that (i) the employment thereof has been specifically authorized by DPCM in writing, (ii) DPCM has failed after a reasonable period of time to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict on any material issue between the position of DPCM and the position of such Indemnitee, in which case DPCM shall be responsible for the reasonable and documented out-of-pocket fees and expenses of no more than one such separate counsel. Notwithstanding the foregoing, any indemnification provided by the Company, D-Wave, and DPCM shall be netted against each other so as not to result in duplicate recoveries for the same Losses.

10. EVENTS OF DEFAULT.

An “Event of Default” shall be deemed to have occurred at any time subsequent to Closing as any of the following events occurs and continues, taking into account any applicable grace or cure period:

(a) the effectiveness of a registration statement registering the resale of the Securities lapses for any reason (including, without limitation, the issuance of a stop order or similar order) or such registration statement (or the prospectus forming a part thereof) is unavailable to the Investor for resale of any or all of the Securities to be issued to the Investor under the Transaction Documents, and such lapse or unavailability continues for a period of ten (10) consecutive Business Days or for more than an aggregate of thirty (30) Business Days in any 365-day period, but excluding a lapse or unavailability where (i) the Company terminates a registration statement after the Investor has confirmed in writing that all of the Securities covered thereby have been resold or (ii) the Company supersedes one registration statement with another registration statement, including (without limitation) by terminating a prior registration statement when it is effectively replaced with a new registration statement covering Securities (provided in the case of this clause (ii) that all of the Securities covered by the superseded (or terminated) registration statement that have not theretofore been resold are included in the superseding (or new) registration statement).

(b) the suspension of the Common Stock from trading on the Principal Market for a period of one (1) Business Day (other than in connection with a general suspension of trading on the Principal Market), provided that the Company may not direct the Investor to purchase any shares of Common Stock during any such suspension;

(c) the delisting of the Common Stock from the New York Stock Exchange, provided, however, that the Common Stock is not immediately thereafter trading on the The Nasdaq Capital Market, The Nasdaq Global Market, The Nasdaq Global Select Market, the NYSE American, the NYSE Arca, the OTC Bulletin Board, the OTCQX operated by the OTC Markets Group, Inc., the OTCQB operated by the OTC Markets Group, Inc. or such other nationally recognized trading market (or nationally recognized successor to any of the foregoing);

(d) the failure for any reason by the Transfer Agent to issue (i) the Commitment Shares to the Investor within three (3) Business Days after the date on which the Investor is entitled to receive such Commitment Shares pursuant to Section 5(e) hereof and (ii) Purchase Shares to the Investor within three (3) Business Days after the applicable Purchase Date, Accelerated Purchase Date or Additional Accelerated Purchase Date (as applicable) on which the Investor is entitled to receive such Purchase Shares;

(e) the Company, D-Wave, and DPCM breaches any representation, warranty, covenant or other term or condition under any Transaction Document if such breach could have a Company Material Adverse Effect, a D-Wave Material Adverse Effect, or a DPCM Material Adverse Effect (as applicable) and except, in the case of a breach of a covenant which is not curable, only if such breach continues for a period of at least five (5) Business Days;

(f) if any Person commences a proceeding against the Company pursuant to or within the meaning of any Bankruptcy Law;

(g) if the Company, pursuant to or within the meaning of any Bankruptcy Law, (i) commences a voluntary case, (ii) consents to the entry of an order for relief against it in an involuntary case, (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property, or (iv) makes a general assignment for the benefit of its creditors or is generally unable to pay its debts as the same become due;

(h) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that (i) is for relief against the Company in an involuntary case, (ii) appoints a Custodian of the Company or for all or substantially all of its property, or (iii) orders the liquidation of the Company or any Subsidiary; or

(i) if at any time the Company is not eligible to transfer its Common Stock electronically as DWAC Shares.

In addition to any other rights and remedies under applicable law and this Agreement, so long as an Event of Default has occurred and is continuing following any applicable grace or cure period, the Company shall not deliver to the Investor any Regular Purchase Notice or Accelerated Purchase Notice.

11. TERMINATION

This Agreement may be terminated only as follows:

(a) If pursuant to or within the meaning of any Bankruptcy Law, the Company commences a voluntary case or any Person commences a proceeding against the Company, a Custodian is appointed for the Company or for all or substantially all of its property, or the Company makes a general assignment for the benefit of its creditors (any of which must be an Event of Default as described in Sections 10(g), 10(h) and 10(i) hereof), this Agreement shall automatically terminate without any liability or payment to the Company (except as set forth below) without further action or notice by any Person; provided that, in connection with an Event of Default described in Section 10(g), this Agreement shall only terminate if any such proceeding shall continue for sixty (60) days without being dismissed, bonded or discharged.

(b) In the event that the Commencement shall not have occurred on or before November 1, 2022, due to the failure to satisfy the conditions set forth in Sections 7 and 8 above with respect to the Commencement, then this Agreement may be terminated by any party at the close of business on November 1, 2022 or thereafter, in each case without liability of such party to the other party (except as set forth below); provided, however, that the right to terminate this Agreement under this Section 11(b) shall not be available to any party if such party is then in breach of any covenant or agreement contained in this Agreement or any representation or warranty of such party contained in this Agreement fails to be true and correct such that the conditions set forth in Section 7(d) or Section 8(e), as applicable, could not then be satisfied; provided, further, however that if the full amount of the Commitment Shares have been paid to Investor, Investor shall not have the right to terminate this Agreement pursuant to this Section 11(b).

(c) At any time after the Commencement Date, the Company shall have the option to terminate this Agreement for any reason or for no reason by delivering notice (a "Company Termination Notice") to the Investor electing to terminate this Agreement without any liability whatsoever of any party to any other party under this Agreement (except as set forth below). The Company Termination Notice shall not be effective until one (1) Business Day after it has been received by the Investor.

(d) This Agreement shall automatically terminate on the earlier of (i) the date that the Company sells and the Investor purchases (including by payment of the applicable Purchase Price) the full Available Amount as provided herein, without any action or notice on the part of any party and without any liability whatsoever of any party to any other party under this Agreement (except as set forth below) and (ii) the date the Transaction Agreement is terminated.

(e) If, for any reason or for no reason, the full Available Amount has not been purchased in accordance with Section 2 of this Agreement by the Maturity Date, this Agreement shall automatically terminate on the Maturity Date, without any action or notice on the part of any party and without any liability whatsoever of any party to any other party under this Agreement (except as set forth below).

Except as set forth in Sections 11(a) (in respect of an Event of Default under Sections 10(g), 10(h) and 10(i)), and 11(d), any termination of this Agreement pursuant to this Section 11 shall be effected by written notice from the Company to the Investor, or the Investor to the Company, as the case may be, setting forth the basis for the termination hereof. The representations and warranties and covenants of the Company and the Investor contained in Sections 3, 4, 5 (excluding Sections 5(f) and 5(l)), and 6 hereof, the indemnification provisions set forth in Section 9 hereof and the agreements and covenants set forth in Sections 11 and 12 shall survive the execution and delivery of this Agreement and any termination of this Agreement. If this Agreement is terminated prior to the issuance of any Purchase Shares or prior to Closing, Sections 5 and 6 shall not survive such termination. No termination of this Agreement shall (i) affect the Company's or the Investor's rights or obligations under (A) this Agreement with respect to then pending Regular Purchases, Accelerated Purchases, and Additional Accelerated Purchases and the Company and the Investor shall complete their respective obligations with respect to any pending Regular Purchases, Accelerated Purchases and Additional Accelerated Purchases under this Agreement and (B) the Registration Rights Agreement, which shall survive any such termination, or (ii) be deemed to release the Company or the Investor from any liability for intentional misrepresentation or willful breach of any of the Transaction Documents.

Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address for such notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. (b) Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that a facsimile signature or signature delivered by e-mail in a ".pdf" format data file shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original signature.

(c) Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

(d) Severability. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

(e) Entire Agreement. The Transaction Documents supersede all other prior oral or written agreements between the Investor, the Company, their affiliates and Persons acting on their behalf with respect to the subject matter thereof, and this Agreement, the other Transaction Documents and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor the Investor makes any representation, warranty, covenant or undertaking with respect to such matters. or at such other address and/or facsimile number and/or to the attention of such other Person as the recipient party has specified by written notice given to each other party three (3) Business Days prior to the effectiveness of such change. (g) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns. Each of the Company, D-Wave, and DPCM shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investor, including by merger or consolidation. The Investor may not assign its rights or obligations under this Agreement.

(h) No Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other Person.

(i) Publicity. Each of the Company, D-Wave, and DPCM shall afford the Investor and its counsel with the opportunity to review and comment upon, shall consult with the Investor and its counsel on the form and substance of, and shall give due consideration to all such comments from the Investor or its counsel on, any press release, SEC filing, or any other public disclosure by or on behalf of the Company, D-Wave, or DPCM relating to the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated thereby, not less than 24 hours prior to the issuance, filing or public disclosure thereof. The Investor must be provided with a substantially final version of any such press release, SEC filing, or other public disclosure at least 24 hours prior to any release, filing, or public use by the Company, D-Wave or DPCM thereof; provided however, that the obligations of the Company, DPCM and D-Wave pursuant to this Section 12(i) shall not apply if the form and substance of such press release, SEC filing, or other public disclosure relating to the Investor, its purchases hereunder or any aspect of the Transaction Documents or the transactions contemplated thereby previously have been publicly disclosed by the Company, DPCM or D-Wave in compliance with this Section 12(i). The Company agrees and acknowledges that its failure to fully comply with this provision constitutes a Company Material Adverse Effect, D-Wave agrees and acknowledges that its failure to fully comply with this provision constitutes a D-Wave Material Adverse Effect, and DPCM agrees and acknowledges that its failure to fully comply with this provision constitutes a DPCM Material Adverse Effect.

(j) Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to consummate and make effective, as soon as reasonably possible, the Commencement, and to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

(k) No Financial Advisor, Placement Agent, Broker or Finder. Each of the Company, D-Wave, and DPCM represents and warrants to the Investor that it has not engaged any financial advisor, placement agent, broker or finder in connection with the transactions contemplated hereby. The Investor represents and warrants to the Company, D-Wave, and DPCM that it has not engaged any financial advisor, placement agent, broker or finder in connection with the transactions contemplated hereby. Each of the Company, D-Wave, and DPCM shall be responsible for the payment of any fees or commissions, if any, of any financial advisor, placement agent, broker or finder engaged by it relating to or arising out of the transactions contemplated hereby. Each of the Company, D-Wave, and DPCM shall pay, and hold the Investor harmless against, any liability, loss or expense (including, without limitation, reasonable attorneys' fees and out of pocket expenses) arising in connection with any such claim.

(l) No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

(m) Remedies, Other Obligations, Breaches and Injunctive Relief. The Investor's remedies provided in this Agreement, including, without limitation, the Investor's remedies provided in Section 9,

shall be cumulative and in addition to all other remedies available to the Investor under this Agreement, at law or in equity (including a decree of specific performance and/or other injunctive relief), no remedy of the Investor contained herein shall be deemed a waiver of compliance with the provisions giving rise to such remedy and nothing herein shall limit the Investor's right to pursue actual damages for any failure by the Company to comply with the terms of this Agreement. Each of the Company, D-Wave, and DPCM acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Investor and that the remedy at law for any such breach may be inadequate. Each of the Company, D-Wave, and DPCM therefore agrees that, in the event of any such breach or threatened breach, the Investor shall be entitled, in addition to all other available remedies, to an injunction restraining any breach, without the necessity of showing economic loss and without any bond or other security being required.

(n) Amendment and Waiver; Failure or Indulgence Not Waiver. No provision of this Agreement may be amended or waived by the parties from and after the date that is one (1) Business Day immediately preceding the filing of the Registration Statement with the SEC. Subject to the immediately preceding sentence, (i) no provision of this Agreement may be amended other than by a written instrument signed by both parties hereto and (ii) no provision of this Agreement may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. No failure or delay in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege.

(o) Adjustments for Share Splits. The parties acknowledge and agree that all share-related numbers contained in this Agreement shall be adjusted to take into account any reorganization, recapitalization, non-cash dividend, stock split or other similar transaction effected with respect to the Common Stock except as specifically stated herein.

REGISTRATION RIGHTS AGREEMENT

THIS REGISTRATION RIGHTS AGREEMENT (this “Agreement”), dated as of June 16, 2022, is entered into by and among **D-WAVE QUANTUM INC.**, a Delaware corporation (the “Company”), **D-WAVE SYSTEMS, INC.**, a British Columbia corporation (“D-Wave”), **DPCM CAPITAL, INC.**, a Delaware corporation (“DPCM”) and **LINCOLN PARK CAPITAL FUND, LLC**, an Illinois limited liability company (together with its permitted assigns, the “Buyer”). Capitalized terms used herein and not otherwise defined herein shall have the respective meanings set forth in the Purchase Agreement by and among the parties hereto, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Purchase Agreement”).

WHEREAS:

Pursuant to that certain Transaction Agreement by and among the Company, D-Wave, DPCM and the other parties thereto, dated as of February 7, 2022, each of D-Wave and DPCM will become wholly owned subsidiaries of the Company (the “Merger”); and

From and after the consummation of the Merger (the “Closing”), and subject to the terms and conditions set forth in the Purchase Agreement, the Company wishes to sell to the Investor, and the Investor wishes to buy from the Company, up to One Hundred Fifty Million Dollars (\$150,000,000) of Purchase Shares, and to induce the Buyer to enter into the Purchase Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended, and the rules and regulations thereunder (collectively, the “Securities Act”), and applicable state securities laws.

NOW, THEREFORE, in consideration of the promises and the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Company, D-Wave, DPCM, and the Buyer hereby agree as follows:

1. DEFINITIONS.

As used in this Agreement, the following terms shall have the following meanings:

(a) “Investor” means the Buyer, any transferee or assignee thereof to whom a Buyer assigns its rights under this Agreement in accordance with Section 9 and who agrees to become bound by the provisions of this Agreement, and any transferee or assignee thereof to whom a transferee or assignee assigns its rights under this Agreement in accordance with Section 9 and who agrees to become bound by the provisions of this Agreement.

(b) “Person” means any individual or entity including but not limited to any corporation, a limited liability company, an association, a partnership, an organization, a business, an individual, a governmental or political subdivision thereof or a governmental agency.

(c) “Register,” “registered,” and “registration” refer to a registration effected by preparing and filing one or more registration statements of the Company in compliance with the Securities Act and pursuant to Rule 415 under the Securities Act or any successor rule providing for offering securities on a continuous basis (“Rule 415”), and the declaration or ordering of effectiveness of such registration statement(s) by the United States Securities and Exchange Commission (the “SEC”).

(d) “Registrable Securities” means all of the Commitment Shares and all of the Purchase Shares that may, from time to time, be issued or become issuable to the Investor under the Purchase Agreement (without regard to any limitation or restriction on purchases), and any and all shares of capital stock issued or issuable with respect to the Purchase Shares or the Commitment Shares or the

Purchase Agreement as a result of any stock split, stock dividend, recapitalization, exchange or similar event or otherwise, without regard to any limitation on purchases under the Purchase Agreement.

(e) “Registration Statement” means one or more registration statements of the Company covering only the resale of the Registrable Securities.

2. REGISTRATION.

(a) Mandatory Registration. The Company shall, within thirty (30) days following the date of Closing, file with the SEC an initial Registration Statement covering the maximum number of Registrable Securities as shall be permitted to be included thereon in accordance with applicable SEC rules, regulations and interpretations so as to permit the resale of such Registrable Securities by the Investor under Rule 415 under the Securities Act at then prevailing market prices (and not fixed prices), as mutually determined by both the Company and the Investor in consultation with their respective legal counsel, subject to the aggregate number of authorized shares of the Company’s Common Stock then available for issuance in its Certificate of Incorporation and the Exchange Cap (as defined in the Purchase Agreement); provided, however, that the Company may delay filing or suspend the use of any Registration Statement if the Company determines, upon advice of legal counsel, that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed. The initial Registration Statement shall register only the Registrable Securities. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such Registration Statement and any amendment or supplement to such Registration Statement and any related prospectus prior to its filing with the SEC, and the Company shall give due consideration to all such comments. The Investor shall furnish all information reasonably requested by the Company for inclusion therein. The Company shall use its reasonable best efforts to have the Registration Statement and any amendment declared effective by the SEC at the earliest possible date. The Company shall use reasonable best efforts to keep the Registration Statement effective pursuant to Rule 415 promulgated under the Securities Act and available for the resale by the Investor of all of the Registrable Securities covered thereby at all times until the earlier of (i) the date on which the Investor shall have resold all the Registrable Securities covered thereby and no Available Amount remains under the Purchase Agreement, (ii) such Registrable Securities may be sold without registration pursuant to Rule 144 without limitation as to volume and manner of sale restrictions and no Available Amount remains under the Purchase Agreement, (iii) six months after the termination of the Purchase Agreement, and (iv) one year after the date on which no Available Amount remains under the Purchase Agreement (the “Registration Period”). The Registration Statement (including any amendments or supplements thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading.

(b) Rule 424 Prospectus. The Company shall, as required by applicable securities regulations, from time to time file with the SEC, pursuant to Rule 424 promulgated under the Securities Act, the prospectus and prospectus supplements, if any, to be used in connection with sales of the Registrable Securities under the Registration Statement. The Investor and its counsel shall have a reasonable opportunity to review and comment upon such prospectus prior to its filing with the SEC, and the Company shall give due consideration to all such comments; provided, that the Company shall not be required to provide, and the Investor shall not have an opportunity to review, any prospectus supplement filed solely to include in the Registration Statement, from time to time, documents filed with, or furnished to, the SEC by the Company under the Exchange Act (as defined below). The Investor shall use its reasonable best efforts to comment upon such prospectus within one (1) Business Day from the date the Investor receives the substantially final pre-filing version of such prospectus.

(c) Sufficient Number of Shares Registered. In the event the number of shares available under the Registration Statement is insufficient to cover all of the Registrable Securities, the

Company shall amend the Registration Statement or file a new Registration Statement (a "New Registration Statement"), so as to cover all of such Registrable Securities (subject to the limitations set forth in Section 2(a)) as soon as practicable, but in any event not later than ten (10) Business Days after the necessity therefor arises, subject to any limits that may be imposed by the SEC pursuant to Rule 415 under the Securities Act. The Company shall use its reasonable best efforts to cause such amendment and/or New Registration Statement to become effective as soon as practicable following the filing thereof.

(d) Offering. If the staff of the SEC (the "Staff") or the SEC seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities that does not permit such Registration Statement to become effective and be used for resales by the Investor under Rule 415 at then-prevailing market prices (and not fixed prices), or if after the filing of the initial Registration Statement with the SEC pursuant to Section 2(a), the Company is otherwise required by the Staff or the SEC to reduce the number of Registrable Securities included in such initial Registration Statement, then the Company shall reduce the number of Registrable Securities to be included in such initial Registration Statement (with the prior consent, which shall not be unreasonably withheld, of the Investor as to the specific Registrable Securities to be removed therefrom) until such time as the Staff and the SEC shall so permit such Registration Statement to become effective and be used as aforesaid. In the event of any reduction in Registrable Securities pursuant to this paragraph, the Company shall file one or more New Registration Statements in accordance with Section 2(c) until such time as all Registrable Securities have been included in Registration Statements that have been declared effective and the prospectus contained therein is available for use by the Investor. Notwithstanding any provision herein or in the Purchase Agreement to the contrary, the Company's obligations to register Registrable Securities (and any related conditions to the Investor's obligations) shall be qualified as necessary to comport with any requirement of the SEC or the Staff as addressed in this Section 2(d).

3. RELATED OBLIGATIONS.

With respect to the Registration Statement and whenever any Registrable Securities are to be registered pursuant to Section 2, including on any New Registration Statement, the Company shall use its reasonable best efforts to effect the registration of the Registrable Securities in accordance with the intended method of disposition thereof and, pursuant thereto, the Company shall have the following obligations:

(a) The Company shall prepare and file with the SEC such amendments (including post-effective amendments) and supplements to any Registration Statement and the prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep the Registration Statement or any New Registration Statement effective at all times during the Registration Period, and, during such period, comply with the provisions of the Securities Act in connection with the offer, issuance and sale of the Registrable Securities.

(b) The Company shall permit the Investor to review and comment upon the final pre-filing draft version of the Current Report at least two (2) Business Days prior to its filing with the SEC and, with respect to information regarding the Investor or the transaction contemplated hereby, the Company shall not file the Current Report or the Registration Statement with the SEC in a form to which the Investor reasonably objects. The Investor shall use its reasonable best efforts to comment upon the Registration Statement or any New Registration Statement and any amendments or supplements thereto within two (2) Business Days from the date the Investor receives the final version thereof. The Company shall furnish to the Investor, without charge, any correspondence from the SEC or the staff of the SEC to the Company or its representatives relating to the Registration Statement or any New Registration Statement.

(c) Upon request of the Investor, the Company shall furnish to the Investor, (i) promptly after the same is prepared and filed with the SEC, at least one copy of such Registration Statement and any amendment(s) thereto, including financial statements and schedules, all documents incorporated

therein by reference and all exhibits, (ii) upon the effectiveness of any Registration Statement, a copy of the prospectus included in such Registration Statement and all amendments and supplements thereto (or such other number of copies as the Investor may reasonably request) and (iii) such other documents, including copies of any preliminary or final prospectus, as the Investor may reasonably request from time to time in order to facilitate the disposition of the Registrable Securities owned by the Investor. For the avoidance of doubt, any filing available to the Investor via the SEC's live EDGAR system shall be deemed "furnished to the Investor" hereunder.

(d) Upon the request of the Investor, the Company shall use reasonable best efforts to (i) register and qualify the resale by the Investor of the Registrable Securities covered by a Registration Statement under such other securities or "blue sky" laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registrable Securities for sale in such jurisdictions; provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(d), (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. The Company shall promptly notify the Investor who holds Registrable Securities of the receipt by the Company of any notification with respect to the suspension of the registration or qualification of any of the Registrable Securities for sale under the securities or "blue sky" laws of any jurisdiction in the United States or its receipt of actual notice of the initiation or threatening of any proceeding for such purpose.

(e) As promptly as practicable after becoming aware of such event or facts, the Company shall notify the Investor in writing of the happening of any event or existence of such facts as a result of which the prospectus included in any Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (provided that in no event shall such notice contain any material, non-public information regarding the Company), and promptly prepare a supplement or amendment to such Registration Statement to correct such untrue statement or omission, and deliver a copy of such supplement or amendment to the Investor (or such other number of copies as the Investor may reasonably request), provided, however, that the Company may delay filing such supplement or amendment if the Company, upon advice of legal counsel, reasonably believes that such filing or use could materially affect a *bona fide* business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company. The Company shall also promptly notify the Investor in writing (by email or otherwise) (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed, and when a Registration Statement or any post-effective amendment has become effective (notification of such effectiveness shall be delivered to the Investor by email or facsimile on the same day of such effectiveness), (ii) of any request by the SEC for amendments or supplements to any Registration Statement or related prospectus or related information, and (iii) of the Company's reasonable determination that a post-effective amendment to a Registration Statement would be appropriate.

(f) The Company shall use its reasonable best efforts to prevent the issuance of any stop order or other suspension of effectiveness of any registration statement, or the suspension of the qualification of any Registrable Securities for sale in any jurisdiction and, if such an order or suspension is issued, to obtain the withdrawal of such order or suspension at the earliest possible moment and to notify the Investor of the issuance of such order and the resolution thereof or its receipt of actual notice of the initiation or threat of any proceeding for such purpose.

(g) The Company shall (i) cause all the Registrable Securities to be listed on each

securities exchange on which securities of the same class or series issued by the Company are then listed, if any, if the listing of such Registrable Securities is then permitted under the rules of such exchange, or (ii) secure designation and quotation of all the Registrable Securities on the Principal Market. The Company shall pay all fees and expenses in connection with satisfying its obligation under this Section 3.

(h) The Company shall cooperate with the Investor to facilitate the timely preparation and delivery of certificates or book-entry confirmations (in each case not bearing any restrictive legend) representing the Registrable Securities to be offered pursuant to any registration statement and enable such certificates or book-entry confirmations to be in such denominations or amounts as the Investor may reasonably request and registered in such names as the Investor may request.

(i) The Company shall at all times provide a transfer agent and registrar with respect to its Common Stock.

(j) If reasonably requested by the Investor, the Company shall (i) as soon as practicable after receipt of written notice from the Investor, incorporate in a prospectus supplement or post-effective amendment such information as the Investor reasonably requests be included therein relating to the sale and distribution of Registrable Securities, including, without limitation, information with respect to the number of Registrable Securities being sold, the purchase price being paid therefor and any other terms of the offering of the Registrable Securities; (ii) make all required filings of such prospectus supplement or post-effective amendment as soon as practicable upon notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; and (iii) supplement or make amendments to any Registration Statement or New Registration Statement.

(k) The Company shall use its reasonable best efforts to cause the Registrable Securities covered by any Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to consummate the disposition of such Registrable Securities.

(l) Within one (1) Business Day after any Registration Statement which includes the Registrable Securities is declared effective by the SEC, the Company shall deliver, and shall cause legal counsel for the Company to deliver, to the Transfer Agent for such Registrable Securities (with copies to the Investor) confirmation that such Registration Statement has been declared effective by the SEC in the form acceptable to the Company's Transfer Agent. Thereafter, if requested by the Investor at any time, the Company shall require its counsel to deliver to the Investor a written confirmation whether the Registration Statement has been declared effective under the Securities Act and if, to its knowledge, a stop order suspending the effectiveness of the Registration Statement has been issued or threatened by the SEC.

(m) The Company shall take all other reasonable actions necessary to expedite and facilitate disposition by the Investor of Registrable Securities pursuant to any Registration Statement.

4. OBLIGATIONS OF THE INVESTOR.

(a) The Company shall notify the Investor in writing of the information the Company reasonably requires from the Investor in connection with any Registration Statement hereunder. The Investor shall furnish to the Company such information regarding itself, the Registrable Securities held by it and the intended method of disposition of the Registrable Securities held by it as shall be reasonably required to effect the registration of such Registrable Securities and shall execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of any Registration Statement hereunder.

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event or existence of facts of the kind described in Section 3(f) or the first sentence of Section 3(e), the Investor will immediately discontinue disposition of Registrable Securities pursuant to any Registration Statement(s) covering such Registrable Securities until the Investor's receipt of the copies a notice regarding the resolution or withdrawal of the stop order or suspension as contemplated by Section 3(f) or of the supplemented or amended prospectus contemplated by Section 3(f) or the first sentence of 3(e). Notwithstanding anything to the contrary, the Company shall cause its Transfer Agent to promptly deliver shares of Common Stock without any restrictive legend in accordance with the terms of the Purchase Agreement in connection with any sale of Registrable Securities with respect to which an Investor has entered into a contract for sale prior to the Investor's receipt of a notice from the Company of the happening of any event of the kind described in Section 3(f) or the first sentence of Section 3(e) and for which the Investor has not yet settled.

5. EXPENSES OF REGISTRATION.

All reasonable expenses, other than sales or brokerage commissions and fees incurred in connection with its sale of the Registrable Securities (including the fees and disbursement of counsel for the Investor), incurred in connection with registrations, filings or qualifications pursuant to Sections 2 and 3, including, without limitation, all registration, listing and qualifications fees, printers and accounting fees, and fees and disbursements of counsel for the Company, shall be paid by the Company, as applicable.

6. INDEMNIFICATION.

(a) To the fullest extent permitted by law, the Company will, and hereby does, indemnify, hold harmless and defend the Investor, each Person, if any, who controls the Investor, the members, the directors, officers, partners, employees, agents, members, managers representatives of the Investor and each Person, if any, who controls the Investor within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act") (each, an "Indemnified Person"), against any losses, claims, damages, liabilities, judgments, fines, penalties, charges, costs, attorneys' fees, amounts paid in settlement or expenses, joint or several, (collectively, "Claims") incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto ("Indemnified Damages"), to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact in the Registration Statement, any New Registration Statement or any post-effective amendment thereto, or the omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in light of the circumstances under which the statements therein were made, not misleading or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any other law, including, without limitation, any state securities law, or any rule or regulation thereunder relating to the offer or sale of the Registrable Securities pursuant to the Registration Statement or any New Registration Statement (the matters in the foregoing clauses (i) through (iii) being, collectively, "Violations"). The Company shall reimburse each Indemnified Person promptly as such expenses are incurred and are due and payable, for any reasonable, documented out-of-pocket legal fees or other reasonable, documented out-of-pocket expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a): (i) shall not apply to a Claim by an Indemnified Person arising out of or based upon a Violation which occurs in reliance upon and in conformity with information about the Investor furnished in writing

to the Company by any Indemnified Person expressly for use in connection with the preparation of the Registration Statement, any New Registration Statement or any such amendment thereof or supplement thereto or prospectus contained therein, if such Registration Statement, New Registration Statement or amendment thereof or supplement thereto or prospectus contained therein was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (ii) with respect to any superseded prospectus, shall not inure to the benefit of any Indemnified Person from whom the Indemnified Person asserting any such Claim purchased the Registrable Securities that are the subject thereof (or to the benefit of any Indemnified Person controlling such Indemnified Person) if the untrue statement or omission of material fact contained in the superseded prospectus was corrected in the revised prospectus, as then amended or supplemented, if such revised prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e), and the Indemnified Person was promptly advised in writing not to use the incorrect prospectus prior to the use giving rise to a violation and such Indemnified Person, notwithstanding such advice, used it; (iii) shall not be available to the extent such Claim is based on a failure of the Investor to deliver or to cause to be delivered the prospectus made available by the Company, if such prospectus was timely made available by the Company pursuant to Section 3(c) or Section 3(e); (iv) shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld; and (v) shall not apply if and to the extent any Claim arises due to the gross negligence, fraud or willful misconduct of any Indemnified Person, as determined by a court of competent jurisdiction. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Person and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(b) In connection with the Registration Statement or any New Registration Statement, the Investor agrees to indemnify, hold harmless and defend, to the same extent and in the same manner as is set forth in Section 6(a), the Company, each of its respective directors, each of its respective officers who sign the Registration Statement or any New Registration Statement, each Person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act (collectively and together with an Indemnified Person, an “Indemnified Party”), against any Claim or Indemnified Damages to which any of them may become subject, under the Securities Act, the Exchange Act or otherwise, insofar as such Claim or Indemnified Damages arise out of or are based upon any Violation (which, in the case of this Section 6(b) shall include the failure on the part of the Investor to deliver a prospectus as required by this Agreement and applicable law), in each case to the extent, and only to the extent, that such Violation occurs in reliance upon and in conformity with written information about the Investor set forth on Exhibit A attached hereto and furnished to the Company by the Investor expressly for use in connection with such Registration Statement (it being hereby acknowledged and agreed that such written information, as the same may be updated from time to time in writing by the Investor, is the only written information furnished to the Company by or on behalf of the Investor expressly for use in any Registration Statement); and, subject to Section 6(d), the Investor will reimburse any reasonable documented and out-of-pocket legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim; provided, however, that the indemnity agreement contained in this Section 6(b) and the agreement with respect to contribution contained in Section 7 shall not apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Investor, which consent shall not be unreasonably withheld; provided, further, however, that the Investor shall be liable under this Section 6(b) for only that amount of a Claim or Indemnified Damages as does not exceed the net proceeds to the Investor as a result of the sale of Registrable Securities pursuant to such Registration Statement. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Indemnified Party and shall survive the transfer of the Registrable Securities by the Investor pursuant to Section 9.

(c) Promptly after receipt by an Indemnified Person or Indemnified Party under this Section 6 of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving a Claim, such Indemnified Person or Indemnified Party shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof, and the indemnifying party shall have the right to participate

in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly notified, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person or the Indemnified Party, as the case may be; provided, however, that an Indemnified Person or Indemnified Party shall have the right to retain its own counsel with the fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person or Indemnified Party and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person or Indemnified Party and any other party represented by such counsel in such proceeding. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment, with advice of counsel, of any indemnified party, a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. The Indemnified Party or Indemnified Person shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Indemnified Party or Indemnified Person which relates to such action or claim. The indemnifying party shall keep the Indemnified Party or Indemnified Person fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the consent of the Indemnified Party or Indemnified Person, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party or Indemnified Person of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Indemnified Party or Indemnified Person with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person or Indemnified Party under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action.

(d) The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or Indemnified Damages are incurred.

(e) The indemnity agreements contained herein shall be in addition to (i) any cause of action or similar right of the Indemnified Party or Indemnified Person against the indemnifying party or others, and (ii) any liabilities the indemnifying party may be subject to pursuant to law.

7. CONTRIBUTION.

To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that:

(i) no seller of Registrable Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registrable Securities who was not guilty of fraudulent misrepresentation; and (ii) contribution by any seller of Registrable Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registrable Securities.

8. REPORTS AND DISCLOSURE UNDER THE SECURITIES ACTS

With a view to making available to the Investor the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration ("Rule 144"), the Company agrees, at the Company's sole expense, to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the Exchange Act so long as the Company remains subject to such requirements and the filing of such reports and other documents is required for the applicable provisions of Rule 144;

(c) furnish to the Investor so long as the Investor owns Registrable Securities, promptly upon reasonable request, (i) a written statement by the Company that it has complied with the reporting and or disclosure provisions of Rule 144 and the Exchange Act, (ii) a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investor to sell such securities pursuant to Rule 144 without registration; and

(d) take such additional action as is reasonably requested by the Investor to enable the Investor to sell the Registrable Securities pursuant to Rule 144, including, without limitation, delivering all such legal opinions, consents, certificates, resolutions and instructions to the Company's Transfer Agent as may be reasonably requested from time to time by the Investor and otherwise fully cooperate with Investor and Investor's broker to effect such sale of securities pursuant to Rule 144; provided, however, the Investor and its broker shall cooperate with the Company and its counsel and provide the necessary certificates, instructions and other documents reasonably requested by the Company or its counsel in order to enable the Investor to sell the Registrable Securities pursuant to Rule 144.

The Company agrees that damages may be an inadequate remedy for any breach of the terms and provisions of this Section 8 and that Investor shall, whether or not it is pursuing any remedies at law, be entitled to seek equitable relief in the form of a preliminary or permanent injunction, without having to post any bond or other security, upon any breach or threatened breach of any such terms or provisions.

9. ASSIGNMENT OF REGISTRATION RIGHTS.

The Company shall not assign this Agreement or any rights or obligations hereunder without the prior written consent of the Investor. The Investor may not assign its rights under this Agreement without the written consent of the Company, other than to an affiliate of the Investor controlled by Jonathan Cope or Josh Scheinfeld, in which case the assignee must agree in writing to be bound by the terms and conditions of this Agreement.

10. AMENDMENT OF REGISTRATION RIGHTS.

Subject to the immediately preceding sentence, no provision of this Agreement may be (i) amended other than by a written instrument signed by both parties hereto or (ii) waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought. Failure of any party to exercise any right or remedy under this Agreement or otherwise, or delay by a party in exercising such right or remedy, shall not operate as a waiver thereof.

11. MISCELLANEOUS.

(a) A Person is deemed to be a holder of Registrable Securities whenever such Person

owns or is deemed to own of record such Registrable Securities. If the Company receives conflicting instructions, notices or elections from two or more Persons with respect to the same Registrable Securities, the Company shall act upon the basis of instructions, notice or election received from the registered owner of such Registrable Securities.

WHEREAS, as of the date hereof, Sponsor owns beneficially and of record 7,252,500 SPAC Class B Shares (the “Sponsor SPAC Shares”);

WHEREAS, Sponsor acknowledges that the Company would not enter into the Transaction Agreement and the Arrangement but for the execution and delivery of this Agreement by Sponsor;

WHEREAS, this Agreement sets out the terms and conditions of the agreement of Sponsor to abide by the covenants in respect of the Sponsor SPAC Shares held by Sponsor.

NOW, THEREFORE, in consideration of the premises and the covenants and agreements herein contained, the Original Agreement is hereby amended and restated in its entirety as follows:

ARTICLE I COVENANTS

Section 1.1 Covenants of Sponsor.

(a) Sponsor hereby irrevocably and unconditionally covenants, undertakes and agrees, from time to time, until the earlier of (i) the Effective Time, and (ii) the termination of this Agreement in accordance with Section 3.1 hereof:

(i) to cause to be counted as present for purposes of establishing quorum, all the SPAC Sponsor Shares held by Sponsor, at any meeting of any of the SPAC Stockholders at which Sponsor is entitled to vote, including the SPAC Stockholders Meeting, or at any adjournment thereof or in any other circumstances upon which a vote, consent or other approval with respect to the Transactions is sought, or in any action by written consent of all or any of the SPAC Stockholders (which written consent shall be delivered promptly, and in any event within twenty four (24) hours, after SPAC requests such delivery), and to vote or cause to be voted (in person, by proxy, by action by written consent, as applicable, or as otherwise may be required under the Governing Documents of SPAC) all the SPAC Sponsor Shares held by Sponsor, in favor of (i) the approval, consent, ratification and adoption of the Transaction Proposals and the Transactions, (ii) any proposal to adjourn or postpone the SPAC Stockholders Meeting to a later date if there are not sufficient votes for approval, consent, ratification and adoption of the Transaction Proposals and the Transactions; and (iii) all other matters or resolutions that could be expected to facilitate the Transactions;

(ii) to cause to be counted as present for purposes of establishing quorum all the SPAC Sponsor Shares held by Sponsor, at any meeting of the SPAC Stockholders at which Sponsor is entitled to vote, or at any adjournment thereof or in any other circumstances upon which a vote, consent or other approval, with respect to matters contemplated by clause (A), clause (B) or clause (C) of this Section 1.1(a)(ii), is sought, or in any action by written consent of all or any of SPAC Stockholders, and to vote or cause to be voted (in person, by proxy or by action by written consent (which written consent shall be delivered promptly, and in any event within twenty four (24) hours, after SPAC requests such delivery)), as applicable, or as otherwise may be required under the Governing Documents of the SPAC) all the SPAC Sponsor Shares held by Sponsor, in opposition to: (A) any SPAC Acquisition Proposal; (B) any proposed action by SPAC, any SPAC Stockholder or other Person which would reasonably be regarded as being directed towards or likely to prevent, delay, frustrate, or nullify, or reduce the likelihood of the successful completion of the Transactions, including, without limitation, any amendment to the certificate of incorporation of SPAC or its corporate structure or capitalization; and (C) any other matter, action or proposal which would reasonably be expected to result in a breach of any representation, warranty, covenant or other obligation of SPAC under the Transaction Agreement if such breach requires approval by all or any of the SPAC Stockholders;

(iii) except as otherwise expressly contemplated by the Transaction Agreement or with the prior written consent of the Company (such consent to be given or withheld in its sole discretion), not to (A) Transfer any SPAC Sponsor Shares, or any right or interest therein, (B) enter into (1) any option, warrant, purchase right, or other Contract that could (either alone or in connection with one or more events or developments (including the satisfaction or waiver of any conditions precedent)) require Sponsor to Transfer any SPAC Sponsor Shares, or any right or interest therein, or (2) any voting trust, proxy or other Contract with respect to the voting or Transfer of any SPAC Sponsor Shares, or any right or interest therein, in a manner inconsistent with the covenants and obligations of this Agreement, or (C) enter into any Contract to take, or cause to be taken, any of the actions set forth in clauses (A) or (B) or to otherwise do indirectly that which Sponsor may not do directly pursuant to this Section 1.1(a)(iii); provided, however, that the foregoing shall not apply to any Transfer (1) to any Affiliate of Sponsor; or (2) by virtue of Sponsor's Governing Documents upon liquidation or dissolution of Sponsor (any transferee of the type set forth in clauses (1) or (2) a "Permitted Transferee"); provided, that Sponsor shall, and shall cause any Permitted Transferee, to enter into a written agreement in form and substance reasonably satisfactory to the Company, agreeing to be bound by this Agreement (which will include, for the avoidance of doubt, all of the covenants, agreements and obligations of Sponsor hereunder and the making of all applicable representations and warranties of Sponsor set forth in ARTICLE II with respect to such transferee and his, her or its SPAC Class B Shares, or any right or interest therein, received upon such Transfer, as applicable), and further provided that Sponsor and its Permitted Transferee each execute and deliver all other consents, joinders and other documents with respect to the Transactions, as determined by the SPAC in its sole discretion, prior and as a condition to the occurrence of such Transfer. For purposes of this Agreement, "Transfer" means any, direct or indirect, sale, transfer, assignment, lien, pledge, mortgage, exchange, hypothecation, grant of a security interest or encumbrance in or disposition of an interest (whether with or without consideration, whether voluntarily or involuntarily or by operation of law or otherwise);

(iv) not to exercise any dissent rights in respect of the Transactions;

(v) to execute and deliver all related documentation and take such other actions in support of the Transactions as shall reasonably be requested by the Company or SPAC to consummate the Transactions, including pursuant to Section 1.1(a)(xi);

(vi) Sponsor hereby revokes any and all previous proxies granted or voting instruction forms or other voting documents delivered that conflict, or are inconsistent, with the matters set forth in this Agreement and Sponsor agrees not to, directly or indirectly, grant or deliver any other proxy, power of attorney or voting instruction form with respect to the matters set forth in this Agreement except as expressly required or permitted by this Agreement; and

(vii) not take any other action of any kind, directly or indirectly, which would make any representation or warranty of Sponsor set forth in this Agreement untrue or incorrect in any material respect or might reasonably be regarded, individually or in the aggregate, as likely to reduce the success of, or delay or interfere with, the completion of the Transactions contemplated by the Transaction Agreement.

(viii) Sponsor shall be bound by and subject to Sections 7.3(a) (*Confidentiality and Access to Information*), 7.4(a) (*Public Announcements*) and 7.6(b) (*Exclusive Dealing*) of the Transaction Agreement to the same extent that Sections 7.3(a) (*Confidentiality and Access to Information*), 7.4(a) (*Public Announcements*) and 7.6(b) (*Exclusive Dealing*) of the Transaction Agreement apply to SPAC, *mutatis mutandis*, as if Sponsor is directly a party thereto; provided that, notwithstanding anything in this Agreement to the contrary, any breach by SPAC of its obligations under the Transaction Agreement shall not be considered a breach of this Section 1.1(a)(viii).

(ix) If Sponsor acquires or is issued any additional Sponsor SPAC Shares following the date hereof, Sponsor acknowledges that such additional Sponsor SPAC Shares shall be deemed to be Sponsor SPAC Shares for the purposes of this Agreement.

(x) Sponsor agrees not to (A) demand that SPAC redeem the Sponsor SPAC Shares in connection with the Transactions or (B) otherwise participate in any SPAC Stockholder Redemptions by tendering or submitting any of the Sponsor SPAC Shares for redemption.

(xi) Sponsor agrees to use its commercially reasonable efforts to take, or cause to be taken, all actions, and do, or cause to be done, and assist and cooperate with the other Parties in doing such things, in each case, reasonably necessary to consummate the Transactions.

(xii) Sponsor and SPAC agree to comply with, perform their respective obligations, covenants and agreements set forth in, and enforce the obligations of the other parties to, that certain Letter Agreement, dated as of October 20, 2020, by and among SPAC, Sponsor and such other parties thereto (the "Letter Agreement").

(b) Additional Agreements.

(i) Sponsor agrees that, immediately prior to the Closing, Sponsor shall irrevocably forfeit and surrender 4,484,425 Sponsor SPAC Shares to SPAC for no consideration as a contribution to the capital of SPAC and shall take any other action reasonably requested by NewCo or the Company to evidence such forfeiture and surrender. The Company may allocate up to 3,287,762 NewCo Common Shares if the Company determines, in its sole discretion following consultation with SPAC, that such allocation would be advisable in connection with the consummation of the Transactions. The Parties agree to take any actions reasonably requested by the Company to effect such allocation.

(ii) If, immediately prior to the Closing, SPAC Expenses exceed \$6,750,000, Sponsor shall, at the Closing, reimburse SPAC an amount equal to such excess; provided, if Sponsor fails to timely reimburse SPAC an amount equal to such excess, the Company may, at its sole discretion, require Sponsor to irrevocably forfeit and surrender all of the Sponsor SPAC Shares held by Sponsor for no consideration as a contribution to the capital of SPAC and take any other action reasonably requested by NewCo or the Company to evidence such forfeiture and surrender.

(iii) Sponsor shall cause there to be no conversions of SPAC Class B Shares such that, ignoring the forfeiture described in Section 1.1(b)(i), there are an aggregate of 7,500,000 SPAC Class B Shares outstanding as of the Closing. To the extent any such conversions occur notwithstanding the foregoing sentence, Sponsor shall transfer and/or forfeit SPAC Class B Shares in a manner that results in the other SPAC Stockholders and the Company Shareholders being in the same position economically and otherwise as they would have been in, immediately following the Closing, had such conversions not occurred.

ARTICLE II REPRESENTATIONS AND WARRANTIES

Section 2.1 Representations and Warranties of Sponsor. Sponsor represents and warrants to and in favor of the Company as follows and acknowledges that the Company is relying upon such representations and warranties in entering into this Agreement and the Transaction Agreement:

(a) Sponsor is a limited liability company duly formed, validly existing and in good standing under the Laws of the State of Delaware.

(b) Sponsor has the requisite corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated by this Agreement. This Agreement has been duly authorized by all necessary corporate action on the part of Sponsor. This Agreement has been duly and validly executed and delivered by Sponsor and constitutes a legal, valid and binding agreement of Sponsor (assuming that this Agreement has been duly authorized, executed and delivered by the other Parties) enforceable against Sponsor in accordance with its terms (subject to applicable bankruptcy, insolvency, reorganization, moratorium or other Laws affecting generally the enforcement of creditors' rights and subject to general principles of equity).

(c) Sponsor is the sole holder of, record and beneficial owner of, or exercises control or direction over, and at the Effective Time and at all times between the date hereof and the Effective Time, Sponsor will be the sole holder of, record and beneficial owner of, or exercise control or direction over, all the SPAC Sponsor Shares, with good title thereto, free and clear of all Liens (other than transfer restrictions under this Agreement and the Letter Agreement).

(d) Except as contemplated by the Transaction Agreement or the Governing Documents of Sponsor, no Person has any contractual right or privilege for the purchase or acquisition from Sponsor of any of the SPAC Sponsor Shares or for the right to vote any of the SPAC Sponsor Shares.

(e) There are no Proceedings in progress or pending before any Governmental Entity or, to the knowledge of Sponsor, threatened against Sponsor that would adversely affect in any manner the ability of Sponsor to enter into this Agreement and to perform its obligations hereunder in any material respect.

(f) No consent, approval, order or authorization of, or designation, declaration or filing with, any Person is required on the part of Sponsor with respect to the execution, delivery or performance of its obligations under this Agreement by Sponsor, the performance by Sponsor of its obligations under this Agreement and the completion of the transactions contemplated by this Agreement, other than those which are contemplated by the Transaction Agreement.

(g) None of the execution or delivery by Sponsor of this Agreement, the performance by Sponsor of its obligations hereunder or the consummation of the transactions contemplated hereby or pursuant to the Transaction Agreement will, directly or indirectly (with or without due notice or lapse of time or both), (i) result in a violation or breach of any provision of the Governing Documents of Sponsor, (ii) result in a violation or breach of, or constitute a default or give rise to any right of termination, Consent, cancellation, amendment, modification, suspension, revocation or acceleration under, any of the terms, conditions or provisions of any Contract to which Sponsor is a party, (iii) violate, or constitute a breach under, any Order or applicable Law to which Sponsor or any of its properties or assets are subject or bound or (iv) result in the creation of any Lien upon the SPAC Sponsor Shares of Sponsor, except, in the case of any of clauses (ii) through (iv) above, as would not adversely affect the ability of Sponsor to perform, or otherwise comply with, any of its covenants, agreements or obligations hereunder in any material respect.

(h) The execution, delivery and performance by Sponsor of this Agreement and the consummation by Sponsor of the transactions contemplated hereby do not and will not (i) conflict with or violate any Law applicable to Sponsor, (ii) require any consent, approval or authorization of, declaration, filing or registration with, or notice to, any person or entity, (iii) result in the creation of any encumbrance on any Sponsor SPAC Shares (other than under this Agreement, the Transaction Agreement, including the other Ancillary Agreements and the Letter Agreement) or (iv) conflict with or result in a breach of or constitute a default under any provision of Sponsor's Governing Documents.

ARTICLE III GENERAL

Section 3.1 Termination. This Agreement shall automatically terminate, without any notice or other action on the part of any Party, upon the earliest to occur of the following:

- (a) the Effective Time;
- (b) the date upon which the Parties agree in writing to terminate this Agreement; and
- (c) the date of earlier termination of the Transaction Agreement in accordance with its terms;

provided, however, if this Agreement is terminated pursuant to the foregoing clause (a), Section 1.1(b) shall survive in accordance with its terms.

Section 3.2 Fiduciary Duties. Notwithstanding anything in this Agreement to the contrary, (a) Sponsor makes no agreement or understanding herein in any capacity other than in Sponsor's capacity as a record holder and/or beneficial owner of the SPAC Sponsor Shares and (b) to the extent applicable, nothing herein will be construed to limit or affect any action or inaction by Sponsor or any representative of Sponsor serving as a member of the board of directors of SPAC or as an officer or employee of SPAC, in each case, acting in such person's capacity as a director, officer or employee of SPAC.

Section 3.3 Effect of Termination. If this Agreement is terminated pursuant to Section 3.1, this Agreement shall become void and of no force and effect and no Party will have any liability or further obligation to the other Party hereunder; provided, however, if this Agreement is terminated pursuant to Section 3.1(a) and Section 1.1(b) shall survive in accordance with its terms. Notwithstanding the foregoing or anything to the contrary in this Agreement, (i) the termination of this Agreement shall not affect any Liability on the part of any Party for a Willful Breach of any covenant or agreement set forth in this Agreement prior to such termination or Fraud and (ii) this ARTICLE III shall survive the termination of this Agreement. For purposes of this Section 3.3, (x) "Willful Breach" means an intentional and material breach of this Agreement by a Party that is a consequence of an act undertaken or a failure to act by the breaching Party with the knowledge that the taking of such act or such failure to act would, or would reasonably be expected to, constitute or result in a breach of this Agreement and (y) "Fraud" means an act or omission by a Party, and requires: (a) a false or incorrect representation or warranty expressly set forth in this Agreement, (b) with actual knowledge (as opposed to constructive, imputed or implied knowledge) by the Party making such representation or warranty that such representation or warranty expressly set forth in this Agreement is false or incorrect, (c) an intention to deceive another Party, to induce him, her or it to enter into this Agreement, (d) another Party, in justifiable or reasonable reliance upon such false or incorrect representation or warranty expressly set forth in this Agreement, causing such Party to enter into this Agreement, and (e) another Party to suffer damage by reason of such reliance. For the avoidance of doubt, "Fraud" does not include any claim for equitable fraud, promissory fraud, unfair dealings fraud or any torts (including a claim for fraud or alleged fraud) based on negligence or recklessness.

Section 3.4 Notices. All notices, requests, claims, demands and other communications hereunder shall be in writing and shall be given (and shall be deemed to have been duly given) by delivery in person, by e-mail (having obtained electronic delivery confirmation thereof), or by registered or certified mail (postage prepaid, return receipt requested) (upon receipt thereof) to the other Parties as follows:
